### Important Gym Policies:

1. Registration - The first time you register your child, you will only pay for the cost of your starting month. After that your card will be billed the monthly payment on the 24th for the upcoming month. **Everyone is required to have a credit/debit card on file.** Each family has the opportunity to pay by the 24th of the prior month with another form of payment. However if payment was not made, then the card will be charged on the 24th for the upcoming month. If for any reason the card was declined, you will be notified and your child will be dropped from their class if payment is not received by the end of the month. There is a \$20 service charge for all returned checks.
2. There is no contract, if you choose to not continue in that class, notification must be given in writing (email or cancellation form) to the office by the 15th of your final month, or you are responsible for the following month's tuition. If you fail to give written notice by the 15th, you are still charged and therefore enrolled in the upcoming month and there are no refunds given.
3. Tuition is budgeted into monthly payments over the school year calendar which will run August 19, 2019 – June 13, 2020. August and June tuition will be prorated since they are partial months. September – May tuition will be the standard monthly tuition. We do not charge more for 'long' months, nor less for 'short' months. We do not prorate for holidays or gym closings.
4. There are NO REFUNDS or credits for missed classes or dropping your class mid-month.
5. Re-enrollment Fee – There is no registration fee when you first register for classes at Bartlett Gymnastics. However, if you drop out of a class during the school year and then want to re-enroll at a later month within the same school year, you will be charged a \$25 re-enrollment fee.
6. Make-up Policy – Make-up classes are available for **currently enrolled students** and must be scheduled with the office ahead of time to ensure space is available. You cannot schedule any make-up classes after you drop your child's enrollment.

Sibling Discount - 10% Sibling Discount on the lower tuition of a sibling's class.

Class discount - Any student enrolling in more than one class will receive a 20% discount on their second and third classes.
