

Re-Opening plan (6/1/20)

PHASE 1

6/1/2020

*Competitive Teams only, with limited practice hours

PHASE 2

Date: TBD

*Limited recreational classes added

PHASE 3

Date: TBD

* Resume regular programming

Our goal at Bartlett Gymnastics is to safely re-open the gym so that our students can return to gymnastics. We have put into place procedures that follow the Governor's Restore Illinois Plan for Youth Sports as outlined by the DCEO at <https://dceocovid19resources.com/assets/Restore-Illinois/businessguidelines3/youthsports.pdf>.

Bartlett Gymnastics Phase 1 Protocol

Employee Guidelines:	Staff will follow illness policy including temperature checks. Staff will wash/sanitize hands numerous times before/during/after practices throughout the day. Coaches will have limited direct contact with gymnasts. Spotting will be limited to necessity and safety. All coaches will wear face masks.
Entering & Exiting:	We will have separate doors for entering and exiting the building. Please use the doors by the bathrooms for entering and the doors by the vending machines for exiting.
Lobby area:	Drop off/Pick up is encouraged. All parents must wear a mask in the lobby and must practice social distancing at all times. No more than 1 adult per athlete in the building. Siblings are not allowed in the building. Parents are encouraged to wait in the parking lot and are welcome to bring lawn chairs.
Athlete Guidelines:	Gymnasts need to follow the illness policy and will have temperatures taken when entering the building. Anyone with a fever, headache, chills, sore throat, cough, etc will be sent home. Gymnasts should wear masks when entering the building and while in the lobby area. Gymnasts need to wash/sanitize hands when entering the building and in between each rotation. Gymnasts need to bring their own water bottles - drinking fountains are closed. The locker area is closed - gym bags will be spread out throughout the gym.
Gym Cleaning:	Bartlett Gymnastics has been thoroughly cleaned and sanitized in preparation for re-opening. The gym has a professional cleaning service nightly and will also have regular cleaning throughout the day and in between practices and classes. Hand sanitizer will be available and stationed throughout the lobby and gym area.
